Dr. Lesley David "Oral Surgery Every Day Bliss" Course Description

This day will focus on various topics germane to everyday practice. Frequently asked questions will be addressed pertaining to extractions, surgical emergencies and how to manage them, and surgical case selection to minimize stress and complications. The decision of when to refer or not will also be discussed. The topic of implant dentistry cannot be ignored! A simpatico approach between GP and OMFS will be reviewed to ensure appropriate treatment planning so both patients and treating clinicians are informed of all aspects of care. Indications for immediate versus delayed implants and temporization will also be included. This day will be clinically relevant for your Monday morning. Knowledge, techniques, and tips will be shared to help make surgery for the restorative GP stress-free, rewarding, and fun.

Yes, oral surgery can be fun!

Join the ADA Board of Directors

The Alberta Dental Association (ADA) is seeking a member from the Calgary District to join its Board of Directors. This is your opportunity to help build a strong, unified voice for Alberta's dentists while gaining valuable professional and personal skills.

Any active ADA member in the Calgary District in good standing is eligible to nominate themselves or a colleague. No board governance experience needed! Just bring your passion and commitment to help lead and advocate for our profession.

Nominations open on Monday, November 4 and close on November 18. An election will be held from November 25 - December 2.

For more information, log on to the ADA Member Lounge at albertadentalassociation.ca/memberlounge
